YOUR PARTNER FOR END-TO-END LABORATORY SOLUTIONS

LET YOUR VISION BE OUR MISSION

DIAGNOSTIC SOLUTIONS

At Helix, we advocate for personalized medicine and specialize in the development of advanced diagnostic tests that enable tailored healthcare solutions. Our commitment lies in harnessing genomic knowledge to create innovative diagnostic solutions, empowering individuals with actionable genetic insights for personalized health and wellness.

RESEARCH SOLUTIONS

Helix Laboratory Partners, a renowned leader in molecular testing solutions, harnesses its clinical-grade capabilities to provide unmatched research services to biopharmaceutical companies and clinical research organizations. Our adaptable engagement model empowers you to customize the testing format that best aligns with your specific requirements.

CONSULTING SERVICES

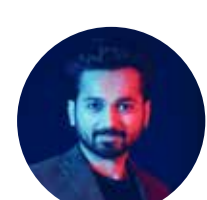

Whether you are establishing a new laboratory or require assistance with test validation, we are committed to supporting your needs. With over 20 years of collective experience, our team of skilled professionals is dedicated to facilitating the seamless launch of your laboratory project, ensuring accelerated success.
